

ROMA VETERINARY CLINIC

[Roma Vet Clinic](#) is seeking an enthusiastic and driven veterinarian to add to our busy 9-vet mixed practice in South-West Queensland. We are ideally looking for a capable vet who is interested in mixed animal practice and excels in a team environment.

RVC is a true mixed practice with approx. 45% small animal work with the remainder 15% horses and 40% cattle. We have an extremely wide variety of cases, and can accommodate staff if there are particular areas of interest. We also have regular visits from a surgical specialist for our tougher cases.

The clinic comes with all the usual modern equipment and diagnostic aids, including:

- DR digital x-ray (also portable)
- IDEXX Procyte DX & Catalyst 1 blood machine
- Comprehensive in-house lab facilities and equipment
- IM3 dental machine
- 2 x Small anaesthetic machines (with capnography & comprehensive monitoring)
- 3 x Powerfloats for equine dentistry
- RX Works (8 terminals)
- Portable horse crush
- Purpose build equine facility
- 2 x small animal ultrasound units
- 4 x BCF duoscan bovine ultrasounds
- Designated equine repro ultrasound
- 5 x Pulsator IV/V electroejaculators
- 3 x phase contrast microscopes
- 5 x Work vehicles
- 6 x Infusion pumps & 2 x CRI pumps

Roma is a vibrant rural community of 7000 people (12000 in district) and boasts a wide array of sports and recreation activities. The town has a very busy airport with numerous flights to Brisbane each week. There is a very busy social calendar in the area, meaning that there is always something to get involved in [outside of work](#). The region is known as the heart of the QLD beef industry, as well as its tourist features such as the [Canarvon National Park](#), the [Arcadia Valley](#), the [Roma Sale Yards](#) and so on.

Our vets currently work a 1 in 5 roster for after hours (will be less with new vet) and 9 day fortnights. We strongly believe support is vital to a long stint in the veterinary industry. We also strongly believe in CPD and encourage staff to pursue this. As a locally owned small business, we prioritise patient outcomes and client satisfaction, rather than KPIs and quotas.

Remuneration is well above award and commensurate with experience. For the right applicant, partnership opportunities may be available in the future. We pride ourselves on being a close-knit and enthusiastic group that thrives on our teamwork, support, experience and attitude.

If you have any questions in relation to this position please call Will Nason or Tim McClymont on 07 46 221015 or email romavetclinic@gmail.com. Also check out our [website](#) or visit us on [Facebook](#).
